

**Risk Assessment Coronavirus – COVID-19
SEPTEMBER 2021**

Location / Site	Springdale First School.
Activity / Procedure	Opening school in Autumn term '2021
Assessment date	27 th August 2021.
Assessment serial number	01
<p>The school has prepared this risk assessment following guidance from Central Government, Southampton City Council and Hamwic Education Trust.</p> <p>We will endeavour to ensure that our school environment is as safe as it can be. Extra measures (outlined below) will be taken to ensure our school observes regular hand-washing, sanitising, cleaning and ventilation. Please note that, whilst we will do our utmost to ensure we provide our staff and pupils with a safe place to work, a safe environment and follow government guidance, we can only do so to our best endeavours and our working-knowledge of the Covid-19.</p> <p>If any member of staff has any concerns, they must discuss it immediately with their Line Manager or School Leader.</p>	

Identify hazards	Record all hazards that are specific to this task
Lack of, or poor hygiene and cleanliness across the site.	
Inadequate staff ratios.	
Poor communication means that staff, parents, pupils, or visitors, do not follow guidance.	
Close contact with others causes virus to spread throughout the staff and pupil population.	
Rapidly changing local situation may affect school situation	
Risk of infection from children and adults with COVID-19 (either asymptomatic or with symptoms)	

Identify people at risk	Circle boxes where persons may be affected by hazards	
Employees	YES	NO
Visitors	YES	NO

Contractors	YES	NO
Vulnerable persons	YES	NO
Pupils	YES	NO

Existing control measures	List controls already in place to reduce risk of injury
	The school will follow all DFE/Government guidance which will be made available through updates from the Hamwic Education Trust (HET).
	We will continue to follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19.
	Face coverings are no longer advised for pupils, staff and visitors either in classrooms or in communal areas. However, staff may wish to continue to wear a mask in specific enclosed areas e.g. toilet/ staffroom and school. * Visitors will be asked if they would like to wear face masks if they feel more comfortable to do so. * At the time of the visit, if the school is experiencing an increase of positive cases, visitors will be asked to wear face masks for meetings.
	13.10.21 – Any member of staff who has been identified as a close contact will need to wear a mask in school. This especially applies if the close contact is in the same household.
	13.10.21 – Parents evening (week beginning 15.10.21). Parents to wear face masks when entering the school through class external doors.
	Anyone who is unwell, with possible COVID-19 symptoms, (staff or student) should remain at home and organise a PCR test 13.10.21 – Advice from PHD. For those parents and staff who refuse to go for a PCR test if they have shown “classic” symptoms (cough, temperature, loss of smell and taste), the school can ask the individual to isolate for 10 days.
	Information and guidance will remain in place to minimise contact with individuals who are unwell, by ensuring that those who have coronavirus (COVID-19) symptoms do not attend school.
	Contingency plans will be introduced when directed to do so by PHE following a local outbreak. (School Outbreak management Plan)
	Hand Sanitiser units to remain in place, hand sanitiser will be available on entry to the school at the reception desk and at various points throughout the school.
	Pupils and staff will continue to sanitise their hands
	We will continue to promote good hygiene, by promoting the ‘catch it, bin it, kill it’ approach.
	Enhanced cleaning will continue
	We will encourage all staff to maintain good ventilation in rooms they are occupying. Windows will be opened and alternated throughout the day to create different airflows
	Whole school staff meetings will be held in the hall with all windows and doors open, groups to be spaced out. Staff to wear face masks if they would like to. (If numbers continue to rise, TEAMS and Zoom meetings to resume.
	Where possible, we will continue to try to answer parents’ concerns/questions by email/phone or zoom. Parent visits are allowed – staff will be encouraged to socially distance from visitors, meet outdoors where possible or use a well ventilated room.

When parents are required to come into school, parents will be asked if they would like to wear face masks if they feel more comfortable to do so.

* At the time of the visit, if the school is experiencing an increase of positive cases, parents will be asked to wear face masks for meetings.

13.10.21 – Parents evening (week beginning 15.10.21). Additional measures required

* Parents to wear face masks

* Staff to wear a visor

* Parents to enter the school

* Parents to enter via external doors.

* Classrooms to be well ventilated with doors and windows open.

* Staff to be strict on their times to avoid groups of parents waiting outside.

* Staff to sit at least 2 metres away from parents.

* Only two adults. No children please.

* Hand sanitiser to be available for parents to sanitise their hands

Orchestras, drama and choir groups will resume – school will ensure rooms used are well ventilated and Gov guidance followed

Use of school minibuses - hand sanitiser to be used on entering/leaving the vehicle. Full cleaning of vehicle to take place after use.

School trips will take place; we will undertake a risk assessment in relation to all our educational visits to ensure that DFE/ Government guidance is followed

We will continue to offer a remote 'home' learning package for those students who need to remain at home whilst self-isolating

Visitors

All school visits, including by parents, will be by prior appointment/invitation only.

Visitors will be asked not to attend the premises should they display any COVID symptoms

All visitors will be asked to sanitise their hands before entering the premises.

* Visitors will be asked if they would like to wear face masks if they feel more comfortable to do so.

* At the time of the visit, if the school is experiencing an increase of positive cases, visitors will be asked to wear face masks for meetings.

Communication to parents

Parents will be reminded that children should not attend school whilst displaying COVID symptoms. (In most cases, parents and carers will agree that a pupil with symptoms should not attend the school, given the potential risk to others)

Parents will be provided with a high quality remote learning offer should their child need to isolate.

Parents will be able to enter the school premises for the purpose of dropping off and collecting their children.

We will continue to reduce the number of people entering the school building throughout the day. This means that we are unable to allow parents into the school building at the beginning and end of the day.

- We will ensure that all information we need to provide you with is done so via email, PMX or phone call.
- Parents can contact the school office by email office@springdale.poole.sch.uk or phone **01202 692700** and we can get back to you as soon as we can.
- Visits to school will be undertaken by appointment only, allowing appropriate safety measures to be addressed.
- A member of the office staff will be based in the play ground at the beginning of the day for you to drop off medication if required.

Cleaning & Hygiene

Site managers will ensure they have enough cleaning staff and cleaning products to ensure the site remains cleaned to a high standard.

A cleaning schedule will be implemented throughout the site, ensuring that high risk contact points, e.g. work surfaces, door handles, taps etc. are all thoroughly cleaned and disinfected regularly. Additional cleaning hours will be maintained into the autumn term and cleaning schedules recorded in key areas e.g. toilets and classrooms.

Fogging will continue to be implemented

Pupils will share essential resources in table groups within their classroom.

All table groups to have sufficient tissues and children taught to 'catch it bin it kill it'.

Sufficient bins in all classroom areas.

Ensure adequate stock levels of hand sanitiser and tissues are available and replenish as needed.

Inform parents of hygiene expectations and discuss with pupils-children to hand wash throughout the day, including on entry/exit and before and after break/lunch as well as after toileting.

Ensure that all adults and pupils:

- frequently wash their hands with soap and water for 20 seconds and dry thoroughly;
- clean their hands on arrival at the setting, before and after eating, and after sneezing or coughing;
- are encouraged not to touch their mouth, eyes and nose;
- use a tissue or elbow to cough or sneeze and use bins for tissue waste ('catch it, bin it, kill it').

Ensure that bins for tissues are emptied throughout the day.

Where possible, all spaces should be well ventilated using natural ventilation (opening windows) or ventilation units.

Windows should be opened and closed at different times of the day to ensure varying air flows are maintained

Prop doors open, only where safe to do so (bearing in mind fire safety and safeguarding) Doors should be closed when a room is left and windows opened up

Existing level of risk

Consider current level of risk with existing controls in place

Due to the nature of the virus, there will be a higher risk compared to other illnesses. We will monitor the situation and as soon as we feel the risk has increased, we will notify Gemma Carr or Nikki Thorne at the Hamwic Education Trust

Additional control measures

List any additional control measures that are required

Face masks are now optional for staff in classrooms and communal areas

13.10.21 – Any member of staff who has been identified as a close contact will need to wear a mask in school. This especially applies if the close contact is in the same household.

Staff have the choice whether they maintain their classroom in a COVID-19-safe set up e.g. use a taped 2 metre teacher zone, continue with forward facing seating.

In case of a local outbreak staff should have a covid outbreak seating plan in place should the need arise to revert to the class layouts of 20-21 i.e. desks facing forward, bubbles etc.

Whilst bubbles are no longer necessary school will continue to monitor the situation.

Springdale First School will continue to;

- Operate a one-way system when entering and leaving the school grounds.
- Allow children to wear P.E Kits on P.E days. (See timetable below)

	MON	TUES	WED	THUR	FRI
Indoor PE	Year 1	Year 3	Reception	Year 4	Year 2
Outdoor PE	Reception	Year 2	Year 4	Year 1	Year 3

- Introduce Key-Stage assemblies, ensuring that there is a space between year groups.
Monday – Reception.
Tuesday – KS1
Wednesday – KS2
Thursday – KS1
Friday – KS2.
- Continue to ensure that children have their own items and equipment, such as pens, pencils.
- Ensure “touch points” in classroom are regularly cleaned.
- All P.E equipment is wiped down after use.

Screens in place on Reception/counters and in the school offices to remain in place (to be reviewed at the end of September)

School Leader’s comments	Insert comments relevant to findings as appropriate
---------------------------------	---

Name of school leader	Signature of school leader	Date
Debbie Budden		27 th August 2021

Risk assessment reviews	Set future review dates & sign/comment upon completion
--------------------------------	--

Review date	Reviewed by	Reviewer signature	Remarks
13.10.21	D. Budden		Due to the rising numbers of positive cases in school, we will continue to monitor the situation and will keep in contact with PHD for advice if required.

RISK ASSESSMENT MATRIX - LEVEL OF RISK

		LIKELIHOOD				
5 Fatalities	SEVERITY	5	10	15	20	25
4 Major		4	8	12	16	20
3 Serious		3	6	9	12	15
2 Minor		2	4	6	8	10
1 Negligible		1	2	3	4	5
		1 Very Unlikely	2 Unlikely	3 Moderate	4 Likely	5 Very Likely

Low Risk	Acceptable - Monitor. See note 1 below.
Moderate Risk	Acceptable - Subject to guidance. See note 2 below.
High Risk	Unacceptable - Activity must not proceed.

Note 1. If the risk after controls is established as low, then no further action is required. However, you should continue to monitor the residual risk and ensure that it remains as low as **'so far as is reasonably practical'**.

Note 2. Tasks which have been identified as containing moderate residual risk, after controls are in place, may only be undertaken providing the risk has been reduced **'so far as is reasonably practical'** and must be reduced to a minimum, commensurate with the needs of the task.
