1. Purpose

The Freedom of Information Act 2000 (the "Act") makes it a legal requirement for any public authority including schools to produce a publication scheme and to provide guidance for any information requests made under the Act.

The Act gives legal rights to any person wishing to access information held by the Hamwic Education Trust (together the "Trust"). We have a duty to provide advice and guidance to anyone requesting information.

This policy outlines information regarding the Act with details of the procedures to follow should a request for information be received.

However, it should be noted that information that the Act covers for academies is restricted to information held for the purposes of the proprietor's functions under academy arrangements i.e. those arrangements between the Department for Education and the relevant academy trust company relating to agreements and financial assistance for an academy. This scheme should be read in line with this limitation.

2. Scope

This publication scheme commits the Trust to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by the Trust:

The scheme commits the Trust to:

- proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the Trust and falls within the classifications below;
- specify the information which is held by the Trust and falls within the classifications below;
- proactively publish or otherwise make available as a matter of routine, information in line with the statements contained within this scheme. The preferred medium will be the school or Trust website, but information will also be available from individual schools or the Trust's managed service team;
- to produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public;
- to produce a schedule of any fees charged for access to information which is made proactively available;
- to make this publication scheme available to the public.

The classes of information will not generally include:

- information in draft form;
- information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

4. Methods of publication

The Trust will indicate clearly to the public what information is covered by this scheme and how it can be obtained.

Where it is within the capability of the Trust, information will be provided on our website(s). Where it is impracticable to make information available on a website or when an individual does not wish to access the information by the website, we will ensure that the same information can be obtained through the managed service team.

In exceptional circumstances some information may be available only by viewing in person. Where this manner is specified, contact details will be provided. An appointment to view the information will be arranged within a reasonable timescale.

Information will be provided in the language in which it is held or in such other language that is legally required. Where the Trust is legally required to translate any information, it will do so.

Obligations under disability and discrimination legislation and any other legislation to provide information in other forms and formats will be adhered to when providing information in accordance with this scheme.

5. Charges

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Trust for routinely published material will be justified and transparent and kept to a minimum.

Material which is published and accessed on a website will be provided free of charge.

In the case of information not obtainable through the website(s), the Trust reserves the right to charge for actual disbursements incurred such as:

- photocopying – at 10p per sheet of A4 paper
- postage and packaging – at the actual cost to the Trust

- any other costs directly incurred as a result of the information request – at the actual cost to the Trust.

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances justified, including the general principles of the right of access to information held by public authorities, and are in accordance with a published schedule or schedules of fees which is readily available to the public.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.

6. Requests

Requests for other information under the Act must be in writing, and include the enquirer's name and correspondence address. They must also include a description of exactly what information is requested. Enquirers do not need to say why they require the information. Requests should be made in writing to:

Not all information the Trust holds that is covered by the Act will be disclosed in response to a request. For example, information may be withheld under one of the following exemptions available under the Act:

- information accessible by other means (e.g. website or prospectus);
personal information – requests for information about an individual will be dealt with in accordance with the Data Protection Act 1998 and 2018 (unless the enquirer wishes to know what information is held about someone else – this information will generally not be disclosed);
- environmental information (e.g. regarding playing fields, car parking, phone masts etc.);
- information provided in confidence to the Trust;
- information, the release of which would prejudice or be likely to prejudice the Trust's or a third party's commercial interests.

Requests can also be denied if the information is simply not held by the Trust; if the cost of accessing the information is above £450 (based on the statutory rate of £25 per hour) or the request is considered vexatious or repeated.
