

Alice Wrighton:

Alice was a senior leader in Hampshire Sixth Form Colleges for 20 years prior to her retirement in 2018, leading quality improvement and managing organisational change in close collaboration with leaders from all sectors of education. Before moving into senior roles, she taught History, Law and Languages across the 11-18 age range.

Alice has lived and worked in the Southampton area for most of her life. She believes that everyone should have access to high quality and inclusive education within their own neighbourhood and that this is best provided within strong, locally based learning communities. She enjoys choral singing, reading, walking and cycling, and is a keen Saints FC supporter.
