

Gary Plummer:

Born in Poole, Gary has lived locally all his life. After finishing “A” levels, he started working for a large financial institution locally and then went back to university part time to gain his degree, professional qualifications and finally a post-graduate qualification in Law.

He continues to work for the same company 28 years on and is now responsible for various legal, tax and regulation aspects of the business. He has led a local governing committee within a trust school for many years prior to taking up the role of Trustee in 2021.
