

Hamwic Education Trust, Scheme of Delegation 2024/25

Introduction

A Multi Academy Trust's (MAT) Board of Trustees (BoT) is accountable in law for all major decisions about their academies. However, this does not mean that the board is required to carry out all the Trust's governance functions, and many can and should be delegated, including to the CEO, the BoT Committees and to Academy Committees (known at Hamwic as Local Governance Committees (LGC)).

Guidance published by the Confederation of School Trusts in partnership with Governance Professionals and Stone King LLP states; *"The Scheme of Delegation (SoD) is a vital document that acts as a bedrock for good governance in a Trust. It is a document that is and should be, bespoke to every Trust in order to describe how the Trust Board have decided to delegate responsibilities within the Trust. The SoD should reflect the size, scale and structure of your Trust. It must be easily 'readable' and able to be understood and used by all those involved in leadership and governance.*

The Executive and Committees of the Trust Board draw their authority, legitimacy and power to make decisions from the SoD. The Trust Board should keep its strategic function in mind when exercising the power to delegate:

- *Delegate as much as possible while retaining accountability and;*
- *Delegate as close to the point of impact as possible – consider subsidiarity*

The SoD should be updated regularly to reflect the Trust's changing operations and governance. The Academy Trust Handbook Section 2.4 outlines that the financial delegations in Trusts should be reviewed on an annual basis.

In addition to the use of a SoD which sets out which part of the governance and/or Executive groups are carrying out which function in relation to a particular task, the Trust Board must also be specific in documenting how it is delegating the power to carry out that task to the individual or Committee, given that power (if it is delegated below Trust Board level). That delegation should be documented in separate Terms of Reference documents which are brought to the Trust Board for formal approval and may also be accompanied by 'Link Trustee' roles in particular areas of Trust delivery, such as Safeguarding. "

Vision

Hamwic Education Trust is a Trust which celebrates the uniqueness of our pupils, our staff, and our schools and where everyone achieves their full potential through the pathways of opportunities available.

All about the child

The Department for Education have devised the following document [Understanding your data: a guide for school governors and academy trustees - GOV.UK \(www.gov.uk\)](http://www.gov.uk). This document identifies seven data themes that will consistently feature in the work of Governors. These are recorded below. Hamwic Education Trust Governance has placed the entitlement of the child at the centre of its work. The Hamwic entitlement eight sit alongside the data themes.

Trust Governance Structure

Link Trustee Roles

SEND, Safeguarding & Attendance, Finance, Risk, Education (Secondary inc Careers), Education (Primary), Church Schools, Governance, Health & Safety

Roles and Purpose (as defined in DfE Academy Governance Guide 2024 and/or Academy Trust Handbook)

Role	Description and Duties
Academy Trust	An independent, charitable company limited by guarantee which has a funding agreement with the Secretary of State. Includes those that run one or more academies, including free schools, university technical colleges (UTCs) and studio schools.
Members	The founding and/or subsequent members of an academy trust. They have a general duty to exercise their powers to further the academy trust’s charitable purpose. They form part of the academy trust’s governance structure.
Trustees	The company directors and charity trustees who sit on the board of an academy trust. They are also known as trustees in recognition of the charitable, non-profit-making status of academy trusts. In some trusts, those on the board are known as directors or company directors. This often happens in academies with a religious character where the term ‘trustee’ is reserved for those on the board of the separate trust that owns the land and assets.
Accounting Officer	The academy trust’s senior executive leader. They are accountable for value for money, regularity and propriety. The accounting officer (as defined in the Academy Trust Handbook section 1.27 to 1.28). In a MAT this should be the chief executive (or equivalent) and the head of the management team.
Board	The accountable body for the academy trust which operates at a strategic level. Also known as the board of academy trustees.
Board Committees	The board can set up committees and delegate powers to them. A local committee is a committee of a board in a multi-academy trust (MAT) that is established as a local governing body (LGB) under the academy trust’s Articles of Association.
Executive Leaders (see definitions below)	The executive leaders and executive leadership team are held to account by the board for the performance of the academy trust. May include the senior executive leader, executive headteacher, headteacher or principal, as well as other senior employees, depending on the structure of the academy trust.
Chief Financial Officer (CFO)	The Board must appoint an appropriately qualified and/or experienced CFO to whom responsibility for the Trust’s detailed financial procedures is delegated. The CFO should play both a technical and leadership role. The CFO should be employed by the Trust and the Trust must obtain prior ESFA approval if it is proposing (in exceptional circumstances) to appoint a CFO who will not be an employee.
referred to as Local Governing Committees (LGCs)	Subject to the Articles of Association, the Trustees may appoint committees to be known as Local Governing Bodies for each Academy falling under Article 4(a)(i) and subject to Article 101B(b), the same LGB may be appointed for more than one Academy falling under Article 4(a)(i). Subject to the Articles, the constitution, membership and proceedings of any Committees shall be determined by the Trustees. The establishment, ToR, constitution and membership of any committee of the Trustees shall be reviewed at least once in every 12 months. (The Trust Board delegates some of its school level monitoring and scrutinising functions to LGCs and uses these committees to promote stakeholder engagement and as a point of consultation and representation. It is not the intention for Trustees to sit on LGCs but there may be exceptional circumstances where this is required. Where this is the case, the intention will be for the Trustee to be on the LGC for the shortest possible time and so lines of communication to the Board of Trustees must be clearly established.) The type of delegated functions includes pupil and staff wellbeing, stakeholder engagement, attendance and whether the curriculum is meeting the needs of the pupils. The LGC have a pivotal role in supporting the Trust to engage with stakeholders and is a point of consultation and representation. As a sub-committee of the board, delegation can be removed at any time. Where a school does not have an LGC the governance of the school is coordinated centrally by the Trust in conjunction with the school leader (See appendix 2)
Headteachers (referred to as School Leaders)	Day-to-day management of the Trust’s schools. Shares information with the LGCs about how the school operates to enable monitoring and scrutiny of key policies and improvement plans.

Stakeholders, Roles and Responsibilities

Salisbury Diocese Board of Education

HET works in partnership with the Salisbury Diocese Board of Education (SDBE) and, together, both organisations ensure that designated Church of England schools can act in accordance with the principles, practices, and tenets of the Church of England. In particular, this relates to the arrangements for religious education and daily acts of worship.

The Trustees recognise that HET's ethos is built upon the creation of local communities of schools working together through the establishment of local partnerships.

The Trustees undertake to work with the Salisbury Diocese, partnerships, and local boards to protect, as far they are able and is within their control, this aspect of HET's ethos.

Trust Board Committees

The Trustees may establish committees to carry out some of its governance functions which may include making decisions, although any decisions made will be deemed decisions of the Trust Board. The membership of Audit & Risk and Pay & Performance Committees (there must be at least three Trustees) and responsibilities of board committees are set out in the Committee's Terms of Reference.

The Trust committees are:

- Audit and Risk
- Pay and Performance
- Local Governing Committees

Governance Council The Governance Council is made up of a representative from each partnership and Trustees. It does not have any delegated authority and is not part of the formal governance structure. Membership is by appointment for a 24 month period. The main focus of this group is to determine clear and robust communication strands between each level of governance within HET.

Scheme of Delegation Format

The NGA recommended model for Scheme of Delegation has been used.

The Stone King Scheme of Delegation Checklist September 2024 has been referenced to check for compliance as well as 'must' items identified in the [Academy trust handbook 2024 \(publishing.service.gov.uk\)](#) (2024-25 SoD review focused on 'musts', next review to reference and include 'shoulds' as these are minimum good practice and Trusts should apply them unless they can demonstrate that an alternative approach better suits its circumstances). Guidance from [Academy trust governance guide - Definitions - Guidance - GOV.UK \(www.gov.uk\)](#) has also been referenced
