Weston Park Primary and Weston Shore Infant Schools are central to the Weston area of east Southampton and share a clear and ambitious vision for the future: to create endless opportunities for our children.

We are two schools united by one strong, positive staff team. We believe that children thrive when policies are implemented consistently and with care. Our team is passionate about the transformative impact that educators can have on a child's learning and life chances. We want our children to have choices, to follow their passions — and to do that, they first need a great education.

We also believe that working successfully with children and the wider community requires staff who are passionate, positive, and committed. That's why staff well-being is a top priority. We operate as a highly effective team across two sites, and we are proud to offer professional development that is second to none. Our coaching-based approach supports staff in achieving their goals and growing as reflective, skilled practitioners.

If you'd like to join our team, you'll need to be a true team player — open to continuous development, reflective, and committed to high standards for yourself and others. Most importantly, you'll be ready to make a meaningful impact on the lives of children who need us to be fair, consistent, and determined to provide a balanced, inspirational, and progressive learning experience.

We warmly invite you to meet our team, meet our children, and see for yourself the difference we're making — and the difference you could make.

Weston Schools are in the Edwin Jones Partnership of Hamwic Education Trust (HET); a large, fast-paced multi-academy trust with currently 37 schools across the South Coast: Portsmouth, Southampton, Poole and Dorset.
