Established in 2011, Hamwic Education Trust (HET) is one of the largest multi-academy trusts in the South of England. We have a growing number of schools and partnerships spread across Portsmouth, Southampton, Poole and Dorset.

Our core principle is to place the child at the heart of everything we do. We celebrate the uniqueness of our pupils, staff, and schools, striving for everyone to reach their full potential through the opportunities we provide. We aim to create an environment where both pupils and adults can thrive. As a learning organisation, we are committed to continuous improvement for ourselves and others. Our strength lies in our people, whom we value and develop. We bring professional expertise and experience to secure the highest possible achievement for all.

We are passionate about delivering education and believe that every local school should be good enough for its community. To achieve this aim we put the child at the centre of everything that we do. This concept is the driving force behind our ethos, vision and values – and also our decision-making.

A key strategy to ensure we do the best by our pupils is our 'one team approach'. Investing in our staff through a strong development programme and a combined common purpose is what underpins our drive for school improvement. Leaders, teachers and support staff at both school and trust level work together as one team to deliver the Hamwic vision.

Role Summary:

We are seeking to recruit a highly motivated Junior IT Engineer with the appropriate qualifications and experience to provide IT support to schools within HET.

In this role, you will provide technical support across multiple school sites, applying your IT expertise alongside strong organisational and interpersonal skills. You will be self-motivated and play an active role in supporting the IT vision and continuous improvement plans for HET and its schools.

The position involves regular travel to schools requiring support; therefore, a flexible approach to driving and travel is essential.

We are seeking a professional individual who:

- Can provide exceptional IT support and advice to schools
- Assist the Director of IT to maintain a highly efficient and effective network

*All about
the child*

- Train IT technicians within other schools and assist schools with IT projects
- Is highly motivated to learn new IT skills to become an IT professional
- Has excellent communication and interpersonal skills
- Can work well using their own initiative, using time efficiently
- Can complete work to a high standard
- Is flexible in their approach to working across schools

If you are looking for an opportunity to grow and develop within a supportive and forward-thinking environment and can demonstrate a strong track record in effectively managing resources and ICT networks, we would be delighted to hear from you.

What we offer you:

- An opportunity to be part of a collaborative managed services team with a shared vision of excellence
- Flexible working approach, where possible
- Wellbeing day (trial for 2025/26)
- Excellent training and development programmes and opportunities
- Eligibility to join the Local Government Pension Scheme
- Generous holiday entitlement, increasing with length of service
- Access to our benefits portal offering a full range of discounts available through Lifestyle Savings
- Access to Wellbeing Support through our Employee Assistance Programme, this includes free confidential telephone and face to face counselling for employees and family members
- Access to financial wellbeing support through a company that provides comprehensive guidance on all things mortgage related
- Eligible for a Blue Light card

About Hamwic Education Trust:

HET is fully committed to developing an outstanding workforce. We are a friendly and supportive community of professionals working hard to ensure that our schools are enabling children to grow and develop for the future.

We have talented staff working in leadership, teaching and support roles throughout our schools and committed professionals working in the Managed Services team covering education, safeguarding, HR, IT, finance and estates. This experienced team supports our schools and is responsible for the successful delivery of our multi-academy trust.

As an employer, we support our staff to grow through continuing professional development and there is a range of apprenticeships and other opportunities available throughout the Trust to extend your knowledge, skills and career prospects.

HET celebrates the uniqueness of our pupils, our staff and our schools and we aim for everyone to achieve their full potential through the pathways of opportunities available.

Application Procedure:

If you would like to discuss the role further, please contact our HR team by emailing recruitment@hamwic.org to arrange an informal chat.

If you wish to apply for this position, please complete an application form which can be found at www.hamwic.org/category/vacancies/managed-services/ and return to recruitment@hamwic.org

CV's will only be accepted along with a completed application form.

Please note, we may close the advert prior to the advertised closing date should we have sufficient applications. We strongly encourage prospective applicants to apply as soon as possible.

Hamwic Education Trust (HET) are committed to safeguarding and protecting the welfare of our pupils and we expect all staff and volunteers to share this commitment.

All posts are subject to a safer recruitment process which includes enhanced criminal record and barring checks, scrutiny of work and training history, robust referencing, and other vetting checks.

Our safeguarding system is underpinned by a range of policies and procedures which encourage and promote safe working practice across HET.

All HET employees you will be required to undergo continuous professional development to maintain safe working practices and to safeguard our pupils.
